

NEW LOCATION 680 Waterloo Street London, ON N6A 0B3

## **IMPORTANT NOTICE**

There have been changes to rules around trusts and requirements to file trust returns. Any arrangement where beneficial ownership is separated from legal ownership should be considered. Common examples include:

- Being on title for a child or parents' home for financing or estate planning purposes
- Having joint bank accounts with a parent or child for estate planning purposes
- Having investment accounts 'in trust' for a child or grand child
- Do you have an arrangement in place with a family member, corporation, or related party where you are holding an asset in trust for them?
- Do you have an asset in your personal name that was paid for using corporate funds?

If you believe that any of the above may apply to you, you may have a filing requirement, please contact us to discuss.
